EDUCATION

Bachelor of Science – May 2018

Major: Sociology, Psychology

Certificate: Cultural Global Competency

Ronald E. McNair Scholar

Overall GPA: 3.71

SOC GPA: 4.00

RESEARCH INTERESTS

Racial Disparities

Specifically disparities in American Indian and Alaskan Native populations as compared to the majority population. Including other minority groups as well.

Health

Specifically mental health disorder rates in underrepresented groups, and would be interested in researching advocacy methods as well as treatment in health care facilities.

RESEARCH

McNair Scholar, 2017 – Present

Race and Health: Are American Indians and Alaskan Natives

Experiencing More Mental Health Problems than Whites?

Conducted an analysis by combining six years of NHIS data to find if there are disparities in externalized and internalized mental health disorders compared to whites.

SKILLS

Statistical Packages

Working knowledge SPSS, STATA, Microsoft Excel

HONORS

Dean's List
